TARIC ISLAMIC CENTRE

Description:

The Youth Program Developer will report directly to the TARIC Camp Manager. They will also be required to attend mentoring workshops and seminars with TARIC executives and the Imam whenever the need arises.

The Youth Program Developer will conduct hour-long lessons and activities with campers. They are expected to instruct campers on important leadership qualities and necessary life skills. The Youth Program Developer will collaborate with the Leadership Team to develop a simple curriculum for campers and counsellors to follow along with. Youth Program Developer will curate activities to each age group, providing guidance and support to each camper in a unique way. The Youth Program Developer is integral to the creative style of instruction that the TARIC Youth Leadership Program intends to adopt in teaching the next generation of Muslims.

Responsibilities and Duties

- Design a weekly curriculum (6 weeks length) to adhere to for all age groups
- Indicate necessary supplies ahead of time and use them responsibly, conserving where possible
- Instruct campers in a manner that aligns with good character and centers their growth and learning
- Lead campers through individual as well as group activities
- Make activities clear and easy to follow for all campers
- Be engaging, fun, and supportive of all campers

Qualifications

- Must be eligible to work in Canada as per the criteria outlined by Canada Summer Jobs
- Must be enrolled in an educational institution at a high school, college or university level OR in some kind of apprenticeship or skills-building training program
- Must possess a high level of personal discipline, and patience as per the general hiring criteria for all employees
- Background in Art, Fashion, Design, or other Fine Arts majors is an asset
- Be fluent in reading Arabic.
